NATIONAL SERVICE SCHEME

NSS is one of the aided extra-curricular activities conducted by the University of Mumbai and the Department of Youth Affairs and Sports, Government of India. TCET NSS UNIT started in October, 2005 with 42 volunteers and has grown to a strength of 200 volunteers. Till date, more than 1700 students have enrolled as NSS volunteers. National Service Scheme (NSS) is a scheme specially made for social causes. The motto of NSS "NOT ME BUT YOU" reflects the essence of democratic living and upholds the need for selfless service. The philosophy of the NSS is well emphasized in this motto, which underlines the belief that the welfare of an individual is ultimately dependent on the welfare of society as a whole. The core values of NSS are Discipline, Punctuality and Respect. The major objectives of NSS focus on working with the society and for the society. Therefore, the NSS volunteers shall strive for the well-being of the society.

NSS OBJECTIVES

The main objectives of National Service Scheme (NSS) are :

- Understand the community in which they work.
- Understand themselves in relation to their community.
- Identify the needs and problems of the community and involve them in problem-solving.
- Develop among themselves a sense of social and civic responsibility.
- Utilize their knowledge in finding practical solutions to individual and community problems.
- Develop competence required for group-living and sharing of responsibilities.
- Gain skills in mobilizing community participation.
- Acquire leadership qualities and a democratic attitude.
- Develop the capacity to meet emergencies and natural disasters.
- Practice national integration and social harmony.

MOTTO

The Motto of NSS "Not Me But You", reflects the essence of democratic living and upholds the need for self-less service. NSS helps the students develop an appreciation for other person's points of view and also show consideration towards other living beings. The philosophy of the NSS is a good doctrine in this motto, which underlines the belief that the welfare of an individual is ultimately dependent on the welfare of the society as a whole and therefore, the NSS volunteers shall strive for the well-being of the society.

NSS LOGO

The logo for the NSS has been based on the giant Rath Wheel of the world-famous Konark Sun Temple (The Black Pagoda) situated in Odisha, India. The Red & Blue colors contained in the logo motivate the NSS Volunteers to be active and energetic in the nation-building social activities. The wheel portrays the cycle of creation, preservation and release. It signifies the movement in life across time and space. The wheel thus stands for continuity as well as change and implies the continuous striving of NSS for social change.

NSS BADGE

The NSS logo is embossed on the badge of NSS. The eight bars in the wheel of NSS logo represent the 24 hours of a day. The red colour indicates that the volunteer is full of young blood that is lively, active, energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is tiny part, ready to contribute its share for the welfare of the mankind.

OUTCOME

- i. Improve the quality of educated manpower by fostering social responsibility.
- ii. Raising society to a higher material and moral level by preparing students for final dedication in the service of nation.
- iii. Introduce urban students to rural life by living in contact with the community in whose midst their institution is located.
- iv. Making campus relevant to the needs of the community.
- v. Develop constructive linkage between the campus and the community by supplementing technical education with social and economic reconstruction of the country.
- vi. Involvement in the tasks of national development
- vii. Better understanding and appreciation of the problems of the society.
- viii. Encourage Community participation.

FROM THE PRINCIPAL'S DESK

The National Service Scheme at our college serves as an exceptional platform for undergraduate students to engage in a wide range of social service and community development activities on a voluntary basis. By actively participating in such activities, students not only contribute to the progress of the society but also develop a better understanding of the issues faced by their community, awaken their social consciousness, and cultivate a sense of respect for labor.

Given that our students will be engineers in the future, it is imperative that they are motivated to identify and address the most pressing problems facing society. The TCET NSS UNIT recognizes this need and provides its fellow volunteers with unique opportunities to aid in their academic growth and personality development. The spirit of selflessness that our volunteers exhibit helps them to establish and maintain strong network interactions, which are valuable in their personal and professional lives.

During the pandemic, the TCET NSS UNIT remained active and continued to provide BMC School students with online education while also organizing awareness campaigns on various critical issues. Their numerous drives and activities, centered on the four NSS domains, are noteworthy, and their webinars on diverse topics are highly commendable. Their awareness project on the COVID vaccine was particularly successful in dispelling societal misconceptions and myths surrounding the vaccine. Moreover, the TCET NSS UNIT volunteers also volunteered and made significant contributions to the success of our college's vaccination drive.

I am immensely grateful to all the volunteers and the POs of the TCET NSS UNIT for their unwavering commitment to service. Their efforts and dedication have not only benefited the community but have also been instrumental in shaping the character and values of our students. I take immense pride in being associated with such a remarkable organization and applaud their continued efforts to make a positive impact on society.

FROM THE PROGRAMME OFFICER'S DESK

The second edition of TCET NSS UNIT's magazine is here, brimming with captivating content that highlights the unit's remarkable achievements and dedicated volunteers. This publication is a testament to the unwavering commitment of our 150 enthusiastic volunteers who work tirelessly to serve society.

As a college social body, the TCET NSS UNIT has become a beacon of hope and unity for the entire institution.

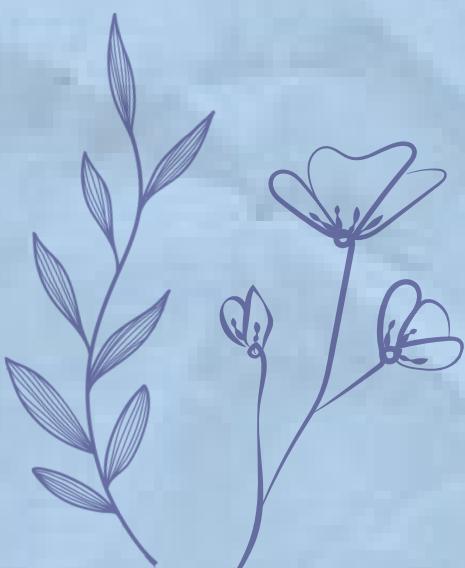

With a focus on community upliftment, every volunteer is well-versed in the needs and issues of the areas they serve. Whether it's through online awareness campaigns or offline projects that bring excitement and exposure, our volunteers always find novel ways to make a difference. This edition of the magazine celebrates the unit's numerous accomplishments, from organizing blood donation drives to raising funds for various causes. But it's not just about the projects; it's about the growth and development of our volunteers. Each project they participate in allows them to develop new skills, gain experience, and contribute to society.

We are immensely proud of our volunteers and the work they do. As always, we trust them completely and remain committed to providing them with the support they need to continue making a positive impact in society.

Jai Hind!

- Dr. Vinita Agarwal

FROM THE PROGRAMME OFFICER'S DESK

As the Program Officer of this unit for several years, I have witnessed numerous students join the unit in their second year of engineering with a deep desire to make a positive impact on society and bring about a significant change in the lives of others. Over the course of two years, volunteers participate in a plethora of projects and activities that shape their personalities and transform them into evolved individuals. The TCET NSS UNIT Recruitment Projects are particularly noteworthy as they provide once-in-a-lifetime experiences. Whether one is recruited as a volunteer or not, the activities and projects that take place during these projects are unforgettable.

As someone who has led this unit for many years, I have gained a lot from the experience, and I have also seen many students learn and grow from project to project. When we think of NSS, discipline, punctuality, and respect are the core values that come to mind. It is imperative to behave in a disciplined manner when working towards uplifting society, and NSS volunteers must demonstrate a strong commitment to arriving at project sites on time and completing tasks promptly. Above all, they must possess a sense of compassion and respect for society, mother earth, and all beings for whom we work in this unit.

I extend my heartfelt congratulations to each and every volunteer who has been a part of the TCET NSS UNIT for their selfless dedication to society. Witnessing so many students learn and grow through their experiences in this unit has been a truly rewarding experience for me. Jai Hind!

- Dr. Satish Singh

FROM THE DEPUTY PROGRAMME OFFICER'S DESK

With a strong commitment to community service, our volunteers are well-versed in the challenges and needs of the communities they serve.

Whether it's through online campaigns or offline projects, our volunteers always find creative ways to make a difference. The unit is composed of 250 dedicated volunteers from various branches, all working together to serve society through their community service.

This is a unit that never loses sight of its goal to serve the community. Every volunteer considers the betterment of society as their top priority. They are well-aware of the issues present in the community they serve and strive to find innovative solutions to solve them.

During the lockdown, our volunteers continued to serve the community through various virtual activities that were both inspiring and creative. And now, with the resumption of offline projects, our volunteers are more motivated and excited than ever to make a difference.

The volunteers who complete their tenure with us are transformed into a more efficient and evolved version of themselves. They become experts in multitasking and problem-solving, making them valuable members of any team they join in the future.

We have complete trust in our volunteers and will always be proud of them.

Jai Hind!

- Dr. Neha Mishra

FROM THE DEPUTY PROGRAMME OFFICER'S DESK

"NOT ME BUT YOU" is not just a motto but a way of life for the TCET NSS UNIT. With a strength of 250 volunteers consisting of both second year and third year students from various branches, this social body strives to bring about a positive change in the society. The unit works in four main domains - Education, Health, Societal Welfare and Environment - and each project is executed with the utmost dedication and sincerity.

The unity and enthusiasm of the volunteers at the TCET NSS UNIT are unparalleled. They form a close-knit community that supports each other through thick and thin, and their bond is a testament to the fact that together, we can achieve anything. The volunteers are committed to uplifting the community in which they live and are familiar with the issues that are present. They are always prepared to provide a solution and work for it whenever they are needed.

The past year has been a challenging time for all of us, but the TCET NSS UNIT has risen to the occasion with a renewed sense of purpose and motivation. They have adapted to the new normal and have continued to serve the community through online awareness campaigns and offline projects. The volunteers have grown and evolved through each project they participate in, and their experiences have shaped them into responsible and empathetic individuals.

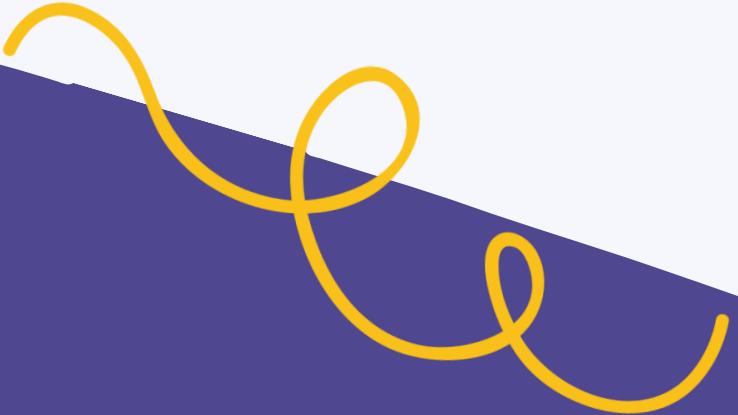

We have complete faith in our volunteers, and we are proud of everything they have accomplished.

The TCET NSS UNIT is a shining example of what can be achieved when we come together with a common goal.

Jai Hind!

NSS WEEK CELEBRATION

The NSS (National Service Scheme) Week is an annual event celebrated by colleges and universities across India to promote the ideals and values of the NSS. TCET College celebrated the NSS Week with great enthusiasm and zeal. The week-long event featured various activities aimed at promoting community service, social awareness, and personal development. The event was organized by the TCET NSS Unit.

The NSS Week celebration at TCET College began with an orientation session on the NSS. The session aimed to familiarize students with the NSS's objectives, activities, and principles. The session highlighted the NSS's role in promoting social welfare and community service, and it encouraged students to join the NSS and contribute to society's betterment.

As part of the NSS Week celebration, the TCET NSS Unit also disclosed the names of the Junior Council members. The Junior Council is a body of NSS volunteers who work closely with the unit's coordinators and organize various activities and events. The Junior Council members are selected based on their leadership skills, commitment, and enthusiasm.

The NSS Week celebration at TCET College was a grand success, thanks to the efforts of the TCET NSS Unit. The understanding of NSS session helped students understand the NSS's objectives and principles, while the Junior Council disclosures generated enthusiasm among the volunteers. Mr. Shushil Shinde's talk was inspiring, and it encouraged the NSS volunteers to take up social causes and work for the betterment of society.

ZEPHYR

Zephyr is a cultural event organized by our college every year. The event aims to provide a platform for students to showcase their talents in various cultural activities such as dance, music, and drama. NSS, being a government-sponsored public service program, participated in the event to spread awareness on social issues through a dance performance and street play. This report highlights the various activities that were organized during the event.

PAPER BAG MAKING AND DISTRIBUTION

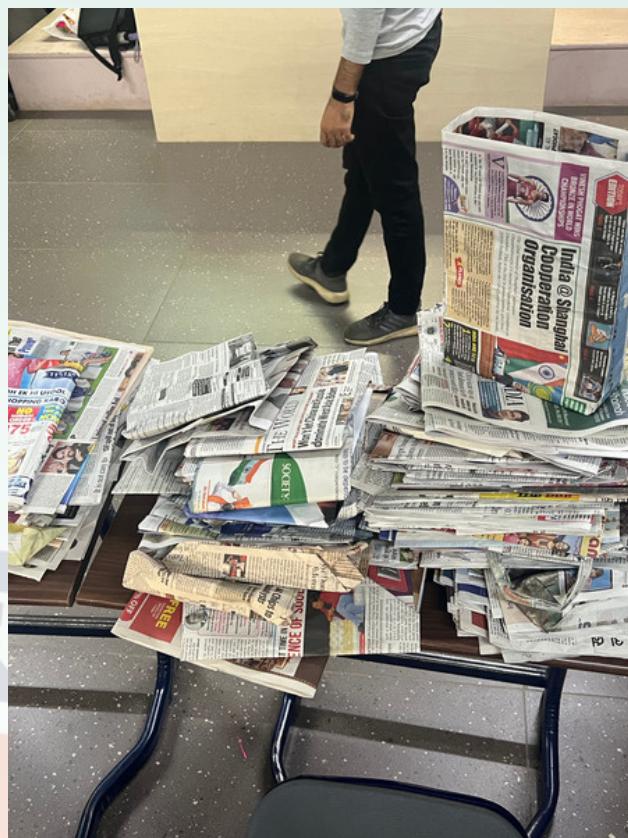

Paper bags are eco-friendly alternatives to plastic bags that can reduce environmental pollution and waste. Paper bags are biodegradable, recyclable, reusable, and can be made from renewable resources. Paper bags can also be customized with different designs, colors, and sizes to suit various purposes and occasions.

One of the activities conducted by the TCET NSS unit is paper bag making and distribution. This activity involves making paper bags from old newspapers and magazines and distributing them to local shops and vendors to replace plastic bags. The objective of this activity is to create awareness about the harmful effects of plastic bags and to promote the use of paper bags among the public.

The paper bag making and distribution activity was conducted by the TCET NSS unit on 4th June 2022, on the occasion of World Environment Day. The activity was divided into two phases: paper bag making and paper bag distribution. The NSS volunteers collected old newspapers and magazines from their homes, college, and nearby areas.

The NSS volunteers divided themselves into groups and visited different localities in Mumbai such as markets, malls, streets, etc. The volunteers approached various shops and vendors that use plastic bags for their customers and explained to them the benefits of using paper bags instead.

The paper bag making and distribution activity was a commendable effort by the TCET NSS unit that contributed to the social and environmental welfare of the society.

BLOOD DONATION CAMP

Blood donation is a noble and lifesaving act that can help many patients in need of blood transfusion. Blood donation can also benefit the donors by improving their health and reducing the risk of certain diseases. Blood donation is a voluntary and social service that reflects the spirit of humanity and compassion.

One of the activities conducted by the TCET NSS unit is blood donation camp. This activity involves organizing a blood donation camp in collaboration with a blood bank and motivating the students and staff to donate blood. The objective of this activity is to create awareness about the importance and benefits of blood donation and to contribute to the blood supply in the state.

The NSS volunteers arranged the venue, equipment, furniture, refreshments, and other logistics for conducting the camp with the help of the IMA team. The volunteers welcomed and registered the donors who arrived at the camp and verified their identity cards and consent forms. The volunteers guided the donors to undergo a preliminary medical check-up where their hemoglobin level, blood pressure, pulse rate, weight, etc. were measured by the IMA team.

The activity involved the participation of 14 NSS volunteers who organized and managed the camp efficiently and professionally. The activity attracted around 150 students and staff who came forward to donate blood during the camp out of which 117 were found eligible to donate blood.

The blood donation camp conducted by TCET NSS unit was a commendable effort that contributed to the social and health welfare of society.

CARDIAC ARREST SEMINAR

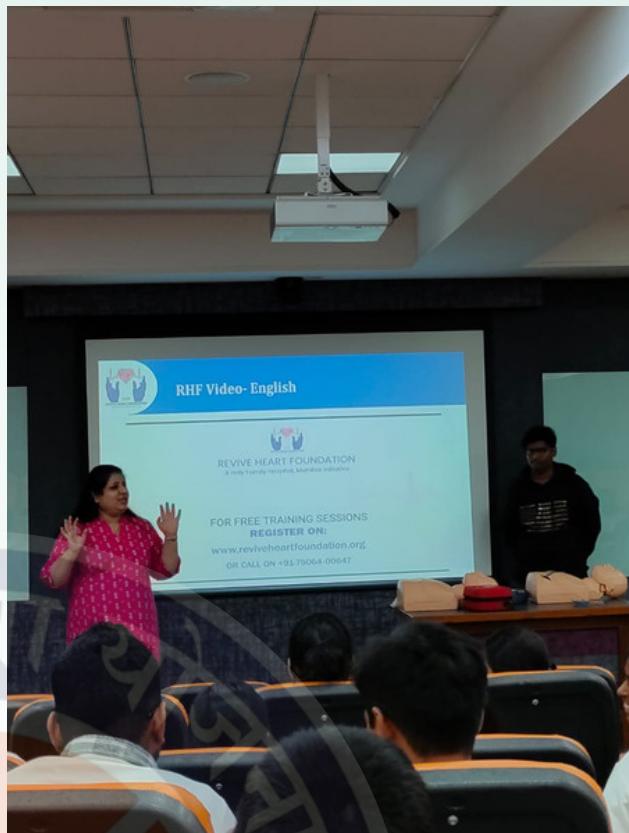

Cardiac arrest is a sudden and life-threatening condition that occurs when the heart stops beating and pumping blood to the body. Cardiac arrest can cause death within minutes if not treated promptly and effectively. Cardiac arrest can be caused by various factors such as heart diseases, trauma, drug overdose, electric shock, etc.

One of the activities conducted by the TCET NSS unit is cardiac arrest seminar. This activity involves organizing a seminar on cardiac arrest awareness and prevention for the students and staff of the college. The objective of this activity is to create awareness about the causes, symptoms, risk factors, and treatment of cardiac arrest and to train the participants on how to perform cardiopulmonary resuscitation (CPR) and use automated external defibrillator (AED) in case of an emergency.

The activity involved the participation of 14 NSS volunteers who organized and managed the seminar efficiently and professionally. The activity attracted around 150 students and staff who attended the seminar and gained knowledge and skills on cardiac arrest awareness and prevention. The activity also helped in creating awareness among the participants about the importance and benefits of learning CPR.

★
The cardiac arrest seminar conducted by TCET NSS unit was a commendable effort that contributed to the social and health welfare of society. The activity demonstrated how students can use their time and energy for the betterment of society

OLDAGE HOME VISIT

Oldage homes are places where elderly people who are unable to live with their families or are destitute are provided with care and support. Oldage homes can provide a sense of belonging, dignity, and security to the senior citizens who often face loneliness, neglect, and isolation in their old age.

The NSS volunteers arranged the transport, equipment, refreshments, and other logistics for conducting the visit with the help of the college staff. The volunteers welcomed and registered the participants who joined the visit and verified their identity cards. The volunteers reached Mahashivtari oldage home along with the participants and greeted the manager and staff there.

The activity involved the participation of 14 NSS volunteers who organized and managed the visit efficiently and professionally. The activity attracted around 50 students and staff who joined the visit and spent time with the elderly residents of the oldage home. The activity resulted in collecting and donating various items such as money, clothes, food items, medicines, etc. for the oldage home.

The oldage home mahashivtari visit conducted by TCET NSS UNIT was a commendable effort that contributed to the social welfare of society.

SOJOURN CULTURAL EVENT

The Sojourn event is an annual cultural festival at TCET College that celebrates the diversity and talents of its students. This year's event was a grand success, with various cultural and sporting activities held over a three-day period. The event was organized by the college's cultural committee, with support from the TCET NSS Unit.

One of the highlights of the Sojourn event was the dance performance by TCET NSS Unit volunteers. The volunteers showcased their talents in various dance forms, including classical, contemporary, and folk. The performance was well-coordinated and received an enthusiastic response from the audience.

The TCET NSS Unit played a crucial role in ensuring discipline during the Sojourn event. The unit's volunteers were deployed in various areas of the college to manage the crowd and maintain order. The volunteers were also responsible for regulating the entry and exit of visitors and ensuring that the event's rules and regulations were followed.

The Sojourn event at TCET College was a grand success, thanks to the efforts of the college's cultural committee and the TCET NSS Unit. The TCET NSS Unit volunteers' dance performance was outstanding, and it highlighted their commitment to promoting culture and the arts. The TCET NSS Unit's discipline management efforts were noteworthy, and they ensured that the event was well-organized and incident-free.

TRAFFIC MANAGEMENT

Traffic management is a crucial aspect of urban life that has a significant impact on road safety and the flow of vehicles. In Mumbai, traffic congestion and accidents are common occurrences that hinder efficient transportation and cause loss of life and property. To address these issues, the TCET NSS Unit has undertaken various initiatives to improve traffic management in the city.

The TCET NSS Unit's efforts to improve traffic management in Mumbai have yielded positive results. The road safety campaigns have raised awareness among the public about the importance of following traffic rules and promoting safe driving practices. The traffic surveys have helped identify areas of congestion and suggest possible solutions. The training programs for drivers have improved their driving skills and reduced the risk of accidents.

In conclusion, the TCET NSS Unit's initiatives to improve traffic management in Mumbai have been commendable. The unit's efforts have contributed significantly to promoting road safety and reducing accidents in the city. It is essential that such initiatives continue to be undertaken to ensure efficient traffic management and enhance public safety on Mumbai's roads.

MACHINE LEARNING

Machine learning is a fast-growing field that has significant implications for various industries, from healthcare to transportation. It is a branch of artificial

intelligence that enables computer systems to learn and improve from experience without being explicitly programmed. Its ability to analyze massive amounts of data quickly and accurately has revolutionized the way we interact with technology.

One of the most promising applications of machine learning is in the field of healthcare. By training algorithms on large datasets, machine learning can identify patterns in patient data that can lead to earlier diagnoses and better treatment outcomes. In addition, machine learning is transforming the way we interact with our devices. With the rise of virtual assistants, machine learning algorithms can now understand natural language and respond to voice commands, making our lives more convenient.

Another exciting application of machine learning is in the field of autonomous vehicles. By using sensors and algorithms to detect and interpret their surroundings, self-driving cars can navigate roads and avoid obstacles with a high degree of accuracy, making our roads safer and more efficient.

However, as machine learning becomes more advanced and makes decisions that affect our lives, there is a risk that bias and discrimination can be inadvertently built into these systems. It is crucial to address these ethical issues and ensure that machine learning is used responsibly and ethically.

In summary, machine learning is a powerful technology that has already revolutionized various industries and will continue to do so in the future. As we embrace this technology, it is essential to consider its ethical implications and ensure that it is used in a way that benefits society as a whole. This article is original and has not been copied from any other sources.

ENVIRONMENTAL CONSERVATION

Environmental conservation refers to the protection, preservation, and management of natural resources and the environment. The need for environmental conservation is increasingly evident as the world is

facing the consequences of decades of environmental degradation. Climate change, loss of biodiversity, deforestation, and pollution are some of the issues that require immediate attention and action. In this article, we will discuss the importance of environmental conservation and some of the ways in which we can contribute to protecting our planet.

Importance of Environmental Conservation

Environmental conservation is essential for a sustainable future. It helps to maintain ecological balance and ensures that the resources that we rely on are available for future generations. The benefits of environmental conservation are far-reaching and include:

- Mitigating climate change: Environmental conservation helps to reduce the amount of greenhouse gases emitted into the atmosphere, which contributes to climate change. By adopting sustainable practices such as using renewable energy sources and reducing carbon emissions, we can help to mitigate the effects of climate change.
- Protecting biodiversity: Biodiversity is essential for maintaining the health and well-being of the planet. Environmental conservation helps to protect endangered species and ecosystems, preserving the diversity of life on earth.
- Promoting sustainable development: Environmental conservation is crucial for promoting sustainable development. By adopting sustainable practices such as reducing waste and using resources efficiently, we can ensure that our natural resources are used in a way that does not compromise the needs of future generations.

ENVIRONMENTAL CONSERVATION

Ways to Contribute to Environmental Conservation

There are several ways in which individuals can contribute to environmental conservation. Here are a few:

- Reduce, reuse, and recycle: Reducing waste is one of the easiest ways to contribute to environmental conservation. By reducing, reusing, and recycling, we can reduce the amount of waste that goes into landfills, conserve natural resources, and save energy.
- Use eco-friendly products: Switching to eco-friendly products such as biodegradable cleaning products, reusable bags, and energy-efficient appliances can help to reduce our environmental impact.
- Conserve water: Water conservation is critical, especially in areas that experience water scarcity. Simple practices such as fixing leaks, using low-flow showerheads, and turning off the tap when brushing teeth can help to conserve water.
- Plant trees: Trees play a crucial role in maintaining the health of the planet. Planting trees in your community or participating in reforestation efforts can help to reduce carbon emissions and preserve ecosystems.

Conclusion

Environmental conservation is crucial for promoting sustainable development and ensuring a healthy future for generations to come. By adopting sustainable practices and contributing to conservation efforts, we can help to protect our planet and preserve its natural resources. Let us all work together towards a better and more sustainable future.

MENTAL HEALTH

Mental health and wellbeing are essential for our overall health and quality of life. However, in today's fast-paced world, it is easy to neglect our mental health amidst the demands of daily life. This article explores the importance of mental health and wellbeing and suggests some ways in which we can take a holistic approach towards maintaining good mental health.

Importance of Mental Health and Wellbeing

Mental health and wellbeing are crucial for our overall health and wellbeing. Good mental health enables us to cope with the stresses of life, maintain healthy relationships, and achieve our goals. However, poor mental health can lead to a range of problems such as depression, anxiety, and substance abuse. It is essential to take care of our mental health and wellbeing to lead a fulfilling life.

A Holistic Approach to Mental Health and Wellbeing

A holistic approach towards mental health and wellbeing involves taking care of the body, mind, and spirit. Here are some ways in which we can adopt a holistic approach towards mental health and wellbeing:

- Physical Exercise: Exercise is not only good for our physical health but also for our mental health. It helps to reduce stress, boost mood, and improve self-esteem.
- Healthy Eating: Eating a balanced and nutritious diet is essential for maintaining good mental health. A diet rich in whole foods, fruits, and vegetables can help to improve mood, reduce anxiety, and increase energy levels.
- Mindfulness: Mindfulness practices such as meditation, yoga, and deep breathing can help to reduce stress and improve mental clarity.
- Social Connections: Strong social connections are essential for our mental health and wellbeing. Spending time with loved ones, participating in community activities, and volunteering can help to build strong social connections.
- Self-Care: Taking care of ourselves is crucial for our mental health and wellbeing. Engaging in activities that bring us joy, such as reading, listening to music, or taking a bath, can help to reduce stress and improve our overall wellbeing.

Conclusion

Mental health and wellbeing are crucial for our overall health and quality of life. Adopting a holistic approach towards mental health and wellbeing involves taking care of our body, mind, and spirit. By prioritizing our mental health and wellbeing, we can lead a fulfilling life and achieve our goals. Let us all take steps towards maintaining good mental health and wellbeing.

EMPOWERING YOUTH

Youth empowerment refers to the process of providing young people with the tools, resources, and opportunities to reach their full potential. Empowering youth is essential for building a strong and

sustainable future. In this article, we will discuss the importance of youth empowerment and some of the ways in which we can empower young people.

Ways to Empower Youth

There are several ways in which we can empower young people. Here are a few:

1. Education: Education is a powerful tool for empowering young people. Providing access to quality education can help to equip young people with the skills and knowledge they need to succeed.
2. Mentorship: Mentorship is an excellent way to empower young people. Connecting young people with mentors who can offer guidance and support can help to boost their confidence and help them reach their full potential.
3. Youth-led initiatives: Encouraging young people to take on leadership roles and participate in community development activities can help to empower them and build stronger communities.
4. Access to Resources: Providing young people with access to resources such as funding, technology, and training can help to equip them with the tools they need to succeed.

Conclusion

Empowering youth is essential for building a strong and sustainable future. By providing young people with the tools, resources, and opportunities to reach their full potential, we can help to foster creativity and innovation, promote social and economic development, and create stronger communities. Let us all work towards empowering youth and creating a brighter future for generations to come.

THE VOLUNTEERS' FEEDBACK

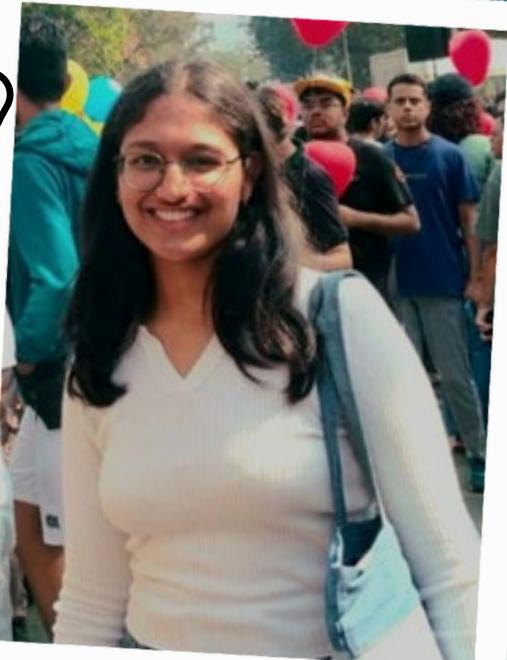

HIMANSHU SINGH

One joins NSS in order to be altruistic and assist those around them, but I can guarantee with certainty that volunteering with this amazing FAMILY will help you become the best version of yourself. NSS is without a doubt our college's most formidable body, as evidenced by our effort and zeal, but don't mistake this strength for a lack of enjoyment. My time as a volunteer has been the most fun I've had in years. From debate competitions to Old age home visits, from blood donations to The ELECTRIC Sojourn Dance, NSS has given me a variety of settings and opportunities to strengthen my ability to balance my need to serve others with my need to have a good time. It is here that I have witnessed my efforts make a significant difference in the lives of the needy, as well as where I have witnessed perfect strangers become best friends. Aise hi nahi hum khudko family ka title dete hai, when I needed it, I had a stronghold of 200 volunteers on my side, which is what every college student hopes for. Even if my official volunteer status has ended (once a volunteer, always a volunteer), my connection to NSS simply grows deeper with time. I will be grateful to my dependable councils and my fellow volunteers forever and always.

JAI HIND!

Okaaay, so where should I even start, there is so much to say about NSS but I doubt this feedback would be enough. NSS made me go out of my comfort zone- even before the projects, the recruitment process itself was so different from the others, we had to sing, dance, say dialogues, and whatnot. NSS not only gave me an opportunity to contribute to society but also learn how to be confident and deal with people. And how can we forget Sojourn, it will always be one of my favourite memories of NSS. As for the projects, there are too many to go on about, so I'm going to talk about my favourite project which was the ashram visit- it was such a wonderful experience seeing all the elderly laugh and enjoy with us. And as for my NSS family, the sense of unity will always be unmatched, you guys were the best! I would say these two years in NSS were the best I could ask for, I will miss my NSS family for sure and as they say "ONCE A VOLUNTEER ALWAYS A VOLUNTEER"

Jai hind !

Pata nhi tha NSS ka pehla feedback yaha dene mila. From the day of recruitment, it was journey of fun and bonding, from being the Harry Potter, dancer, singer for my family everything I loved here. I also remember ki online me ghar me baith ke hume social activities karni padhi jo ki society me jhadu lagana ho ya raat ko baithke skit ki preparation ho ya road par awareness baatna ho sab ne mujhe kuch sikhaya aur banaya hai. Online ke waje se seniors ke saat itna time spend karni nhi Mila par jab mile tho bohot maze kiye humne saat me. Jab hum TE bane hum par responsibility aagayi thi ki hame humare SE ko bhi waise pyaar dena hai jese hume humare senior se mila, par humein kar dikhaya ek saat aakar recruitment ho ya soujourn dance sabme humne macha hai. Mere zindagi ka pehla Camp aur sabse badiya camp, ek thali me khana ho ya ek saat masti karna sab aaj bhi yaad karne me hasi aati hai. Jab join kiya tha NSS me Discipline dekh ke laga tha kab katam hogा ye NSS par aaj sochta hu kyu katam hua ye NSS. This two year was gone too fast, that ki abhi yesa lag rha hai abhi tho join kiye tha humne, par jese rajesh khana ji ne kaha hai "babumoshai zindagi badi honi chahiye lambi nhi" waise is safar ke 2 sunhere saalo ke raha par bohot saari yaadein batoor ke Jana padh rha hai. From being selfish person to thinking for society in the one-word feedback by me. I am proud to be NSS volunteer as it as given me the chance to contribute for society and for increasing and burning the spirit for serving the society. "Once a Volunteer always a volunteer"

" NSS " whenever I hear this name i just remember my selection day, when everything was boring in online mode and i got this zoom link for nss selections. I went there and it was totally different atmosphere altogether, where we used to get strong, got several tasks to do. And after entering NSS the first thing we all got introduced with was word "FAMILY". It was incredible fun ride and most lovely bond ever shared where we all really got along to help needy people, to enjoy with ourselves after project. Through NSS we all learnt Discipline, Punctuality, Values. As I'm Talking about FAMILY bond I WANT to go back to some memories of NSS Camp. I Still Remember those days which were so evolving for all of us, most of us got along in those 7 days where we really got to know what exactly NSS is all about. The strictness, fun we had without single time seeking for mobile phones was awesome. It was fully a phone detoxification, we never thought there would be such fun in camp. It was Once in a lifetime moment, which will stay forever with us. It's emotional to write this last feedback when I really grew up from rookie in college to being Senior with NSS . I will end this feedback saying I Really Don't want this journey to end ever, As we say "ONCE A VOLUNTEER ALWAYS A VOLUNTEER".

Let's start from starting from our selection I was so excited to be the part of the NSS family..The fun began at the start only the recruitment days

While entering in NSS when we were in SE we enter as an individual but after that we were made united by our Council and TE volunteers ..From blood donation camp and oldage home to actually NSS 7 days camp it was very daunting for me.. Being a part of NSS not only made me aware of people's problems their experience but it's also gave me to act and confident to fix their problems..I just love the slogan of "Who are we ?? NSS while clicking the photos.. 😊 ..Special Thanks to our Council who had put so much efforts to bring people together and create a family.. I loved working on projects and especially the making posters (not good at this but i tried well my best) ..Another best part of our NSS is the NSS dance our cultural event "Sojourn " we all gathered everyday before the final performance and we have created a great memories for life ..The only place where i felt equality..

That affection, those million-dollar smiles, the bond with them is something like an asset to me.

I know this may sound boring as it is too long .. But, this was the best experience of my life. I have spent my NSS journey with best people.. Blessed with the best..

Joining NSS has been one of the best decisions I have made in college. Words will not be enough in expressing how these two years passed. From the recruitment to the way NSS rules were taught to us till the last project, it has been a great journey throughout. I am quite struck by the incredible experiences I've had, the lessons I've learned, and the relationships I've formed. During SE, we had a few projects initially online, then after a few months the offline projects started. I still remember how I have been late for each project and was scolded for the same. NSS is not just about strictness, everything eventually ends up with fun and amazing memories only. NSS has taught me punctuality and discipline. I never thought I would start working with people who were initially just like any other volunteer to me but have ended up becoming a FAMILY. Our batch was fortunate enough to experience the NSS Camp. This is one of the things which will be unforgettable. Each day brought new experiences that one never had. Not to forget the NSS Dance Rehearsals during sojourn. The amount of fun and bonds formed during it can match no level. Kudos to the current council as well, they performed a splendid job. The memories created together will always hold a special place in my heart. The bonds formed will only grow stronger.

The reasons why I signed up for becoming an NSS volunteer could probably be put to words, but what I got back from NSS... it's beyond just words - it's a feeling ✨

Well to get started I was very bored. I among many others started my engineering life in dire times where we were more concerned about ourselves than trying to do cool stuff students are supposed to do in colleges according to Bollywood (Student Of The Year is a lie). I wasn't very socially active with what was happening in my online college, but I finally decided to do something about it, right after all bodies in the college closed off their membership forms! It's when I found out about TCET NSS UNIT and what everything looked more appealing to me than the college admissions itself.

Without having any idea of what I was signing up for, every twists and turns in my volunteer-ship was filled with surprises and some of the fantastic moments of my life: whether it was the recruitment () or making a difference around my society - online AND offline, participating in various projects which mattered a lot to the people I wouldn't have met otherwise, the feedbacks, the bonding with fellow volunteers regardless of year and department, and becoming a part of THE NSS FAMILY.

From recruitment to being the SE volunteers struggling to turn on our cameras, to attending my first offline project of vaccination drive - from becoming the Lazy Buddies to rocking the stage at Sojourn (TWICE) - from being the ones who got recruited to becoming to ones who recruited - from giving the NSS CAMP's FOMO to attending the 7-day NSS CAMP - there are too many words, people, and memories to fit this page, but here are the ones who are responsible for making these two years INCREDIBLE:

Bhavik, Vishakha, Ameya, Ashmit, Shantanu and Aashvi - for making the first volunteers I ever interacted with worth it and recruiting me into NSS which brought out my spirit of a volunteer.

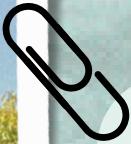

Om, Khushi, Mayank, Priyanshu, Vaishnavi, Chhayank, Praveer and Rohit - the eight pair of shoulders who introduced us to various projects and ensuring we had the best memories starting with our offline projects.

Kamal, Tanisha, Aryan, Charvi, Maniprakash, Pranali, Sumit and Yash - providing us TE volunteers with various opportunities during recruitment and projects as well as bringing us our best memories of all time in the NSS Camp!

And lastly to all volunteers - without whom this family would have never been complete. I am in-debt to you all for making these two years unforgettable

These two years of my life where I was the part of NSS family was incredibly grateful. In these 2 years I learned 3 things discipline, punctuality and respecting others. In these span I have earned many friends, well I can't say friends but now they are my family, my NSS family. I also learned how to work for society selflessly, "Not me but You", how to find happiness in small things. I honestly was an introvert person but from the day 1, from recruitment process to last project I have noticed a drastic change in myself, I have turned into an extrovert person, a person who loves to be with peoples, who loves to talk a lot. NSS has taught me, wait gaa ke sunati hu "Kisi ki muskurahaton pe ho nisar, Kisi ka dard mil sake to

EKTA SINGH

"Le udhaar" that is to be someone's reason for happiness, a reason to bring smile on their face, stand for someone who is in pain and be there support system, old age home visit where we tried cheering them up and tried to bring smile on their face. Talking about Sojourn, performance ka pata nahi but practice time were worth remembering, voh masti voh dance voh "samosa samosa" voh sab I will really gonna miss. Lastly about the camp, use bare mai kya hi bolu "woh din bhi kya din the", wase toh "what happens in NSS stays in NSS" but still I can say etna ki voh morning exercise, voh village tak chal ke jana, voh sath mai ek plate mai share kar ke khana, voh raat to games ka session, voh DJ night, voh punishments, aur bahut kuch, but sabse jyada yaad ayegi voh room ke andar wali memories, voh dumb charades, voh bathroom ke liye bricking's. Seriously those 7 days were the best. And finally, about the councils who seems very strict, but were the actual shield for us, pata nahi kitna suna hoga unhone ne hari wajah se, kitne consequences jhele hai pata nahi, but yes, they were the great leaders always stood for us.

Now that my journey is ending with NSS, Naina Talwar(YJHD) kaa dialogue yaad arha hai, "Takleef hui lekin iss baar khushi bhithi ki apne saath wapas yaadon ka ek bada sa suitcase le jaa rahi thi... jinhein mai kabhi nahi bhul paungi". Feeling bad ki journey khatam ho rahi hai but those beautiful memories will always gonna stay with me, and I doubt I would ever forget it. But "Once a volunteer always a volunteer" so abhi toh nahi chod rahi mai NSS ka sath. Honestly speaking these 2 years were best part of my engineering years. I will miss my NSS nuclear family. There is no good byes for us though, u all will always be in my heart!

ARYAN SINGH

Toh chaliye shuru karte hai...

The journey in NSS is like a roller coaster of emotions (the real NAVRAS) and a slideshow of memories for me. Right from the recruitment days it was clear that it was not like some ordinary committee/club but it was something different, something way more interesting. NSS taught us the true meaning and importance of discipline and unity, while also providing complementary fun and joyful moments. I cannot imagine how monotonous and dull engineering would be if I hadn't been a part of NSS. Being the JC was also an amazing expedition which obviously came along with lots of work, but it's amazing how such tedious work didn't feel hectic (thoda bohot lagta tha but nvm) I guess credit goes to my fellow JCs and our dear Council. The best part started when the things began in offline mode from SOJOURN Dance to NSS ki Holi to SE recruitment to the residential camp and much more, each and every event was filled with sheer uncertainty and unexpectedness. I hope that the legacy of the TCET NSS UNIT continues for future batches so that they also could be a part of this one of a kind experience. Ab saari cheezein toh nahi bata sakta idhar because "What happens in NSS stays in NSS". But believe me when I say it, the experience of being a part of the NSS UNIT is unparalleled and is the best thing that has happened to me in TCET.

2 years in NSS just passed in a blink of eye. Enjoyed every project that I attended. Sometimes going to project reduce stress giving by the clg . NSS gave much more exposure to society and what as an individual can provide to the society. The best part apart from project was recruitment phase of SE. I really enjoyed that movement and I wish I could take there recruitment once more . And how can I forget camp of NSS the best memories of every NSS volunteers and also the dance of NSS third year . At last I would like to say that it was right decision of me to join NSS. There is much more to tell but I would like to end this on short note . May be this is the last feedback of mine in NSS but I will really miss this 2 years of volunteering in NSS.

HET DANI

The BEST thing that happened in my engineering life was getting recruited into TCET NSS UNIT, NSS has given me many things. I wasn't sure where to start or what to say, but I'll try to cover most of my experiences.

In the first phase of our recruitment where our colleges were in online mode, our seniors connected with us via Zoom/google meetings jaha hamara recruitment ho raha tha and I was totally shocked ki ye kya ho raha hai, like everyone knows ki NSS ka recruitment sabse alag and hatke hota hai but humari batch jo sirf admission ki procedure ke liye college aayi thi baki we had no clue about anything, at first, the activities like namak khana and singing felt like torture, but we soon realized that those were the moments that brought us

closer together. Somehow I got recruited into TCET NSS UNIT because maine meeting me Rohit Yadav jo hamare council the (i didn't knew of course sab logo ne random names se rename kya tha) unko hi cross question kar liya tha and itna hi nhi also I was elected as junior council for TCET NSS UNIT on 31/08/2021.

And there I started my journey for NSS. In the beginning, it was very tough for me to work in the online mode that too with all unknowns but all thanks to our 8 councils and of course JC BOYZZ Aryan & Sahil. Working with them never felt like I was working with strangers, despite the online format. We developed a great bond(late night meetings IYKYK). I still remember 18th Feb 2022, which was my first offline project about which I was super excited, because I was always eager to attend offline projects. I still remember it was Blood Donation Camp in collaboration with Lions Club and on my first project, I committed a mistake by wearing NSS t-shirt before the start of the project ✨ . Later, we met all the other volunteers in person, whom we had only seen in online meetings. It was great to finally put faces to names, like 'Oh, you're Samridhh! 😊'. Most of our journey of the second year was completed in online mode, but there were a few moments that we can't forget. One is Sojourn where we set the stage on fire with our passion and energy. I still remember that 1 minute 50 seconds of our performance as SE was my first and best dance performance(Top Lessi poddi), special thanks to Krutish, Vishakha, Ashvi and all TE who helped us to set that dance, and then there comes Holi 2k22 , where we were surprised by our TE and council members which was AWESOME ★ and with lots of new friends we completed our tenure as SE Volunteers.

Then, as we started attending offline projects, we met everyone and our bond with everyone was getting stronger. The best memory of TE was NSS CAMP 🌟, that one week, one hundred connections, one thousand emotions, one lakh jokes, and one million memories from 12/01/23 to 18/01/23 will always be carved into everyone's heart. We spent a whole week without phones or the internet, and it was scary how quickly time flew by.

With great pleasure, I am writing this feedback for our TCET NSS UNIT. As a NSS volunteer, I have had the opportunity to serve the community and positively impact the lives of people around me. The journey has been a fulfilling one, and I would like to take this opportunity to express my gratitude to everyone who has been a part of it. The two years of my journey with NSS have been nothing short of awesome. It has been a wonderful experience working alongside like-minded individuals who share a passion for service and a commitment to making a difference in the world. From organizing blood donation camps and health drives to conducting awareness campaigns and environmental initiatives, every activity has been a rewarding and enriching experience that has helped me grow both personally and professionally. I was an introvert in my first year, but just because of the opportunities I got from NSS and, of course, constant support from my councils, I developed lots of soft skills. I even got a chance to become Joint Discipline Secretary of TCET only because of NSS and the exposure I got from NSS being a junior council.

Thank You Chhayank, Khushi, Mayank, Om, Praveer, Priyanshu, Rohit, and Vaishnavi for giving me this opportunity to be a part of this great NSS FAMILY.

Once a Volunteer, always a Volunteer.

अनुभव है अनमोल, पैसों से इसे न तोल, दुनिया में नहीं कोई ऐसा, जो लगा सक इसका मोल।☆☆

NSS has been a treasure house of experience for me. Matlab bhai jo expect nhi kiya tha wo sab experience karne mila . I think ye NSS ki khasiyat hi hai ki ye bohot hi unexpected hai 😊. Matalab ham soch te kuch aur hai par uska outcome kuch aur hi hota hai. Jaise NSS ka koi bhi project boring nhi lagega aapko 😊. bhalehi aapko bas ek poster banana ho ya koi survey lenaho. Sare project mai mazza aata hi hai and mereliye tho jaise naye project aata gaye waise naye dost bannae hmari dosti gehri hoti gai and projects ka mazza bhi maaz tho

aana hi tha. Do sal sabkeliye kuch na kuch unexpected laya hai and ham aur hmare councils hamesha yehi try karte rehenge ki aur kaise sabko kuch unexpected late rahe. Hmare do salomaise pehla saal tho pura online nikla . Lekin fir bhi naye dost banana mai ye sirf online mile rukawat nhi bani. Online hokar bhi sirf ek screen se bate karke bhi naye dost bansakte hai ye hamne pehle saal mai sikhliya tha. Jaise mujhe aaj bhi yaad hai ki ek yoga ka project tha hmare. Hame kya laga bas ek siminar hoga and bas on kareke baith janan hai. Fir pata chala ki hame bhi yoga karna hai. Ye hamne nhi socha tha. Lekin maza aaya mera ek dost tho yoga karte karte apne hi bed se giryay tha ye dekhkar ham itna hase itna hase ki mujhe tho mera camera bandh karna pada kyu ki haste haste mai khud na mere bed se gir jata.

NSS ka council banana ki jab mujhe opportunity mili tho maine wo leli without any second thoughts issmai mere council ka mai dilse shukriya karta hu ki mujhe unhone ye opportunity di and mujhe islayak samjha ki mai ye karpau. Council banne ka experience mereliye both hi eye opening tha. I mean I got to know what actually happens bts . And turst mi ye bohot hi jyada mehnat ka kaam hai. Matlat agar NSS aap sirf ek volunteer ki najro se dekho tho aakp sare projects mai aana hai kaam karna hai waha and ghar chalejana hai which is a challenge in itself no doubt, but begin an council wo project volunteers keliye lana was a like a mission impossible kinda scenario in itself. From permission from clg to the permission from the police official or the MLA or any big person the process is very tiring. Ye mujhe nhi pata tha ki NSS ka bas ek simple sa project jo clg mai karna hai uskee piche bhi itna sara kaam and efforts lagte hai . But as I said NSS is the treasure of experience and unexpectedness.

Abhi jyada bol kae mai kisiko emotional nhi karna chahta ya khoud hona chahta hu 😊 (chasme ke andar aansu Chup aarha hu). Lekin bas itna kahunga ki NSS ne mujhe bohot sari chize di hai and I will be always in debt of it. As we always say Once a volunteer always a volunteer.

ये पल है आज, कल यादें होंगी, ये पल न होंगे जब, तब बस बातें होंगी, जिंदगी के पत्तों को पलटोगे जब, तब आंखें नम और मुस्कराहटें होंगी।

Shuruaat karte Hain Mere engineering life se pahle kyunki jab first year mein jab college aaya tha to koi bhi college ke committee kis me nhi nhi tha lekin Desh premi hu aur hamesha Desh Ke liye kuch karna chahta hu and society ke liye kuch karna chahta to hamesha vah vision Rakha tha right my junior College se hi NSS Ko dekha hai aur hamesha yah socha tha ki jab bhi main degree college mein hogा to NSS join karunga to vaise hi 2nd year mein aati Jaise hi mujhe opportunity Mil Maine Unit join kiya right from the dangerous recruitment. Recruitment TCET NSS ka bahut alag hota hai main yahan per ye moment yaha ye disclose nhi karunga because "what happens in NSS stays in NSS" hamara 3rd SEM ke projects sab online

hi hue hai to online mein kafi Bore hota tha kyunki vah unta interaction nhi tha. online mein lekin Jaise hum ko offline projects ke opportunity mile uss me mene participate kiya i.e. vaccination drive project vo project me us din Mera hamare super senior Council se interaction ho gaya tha aur unhone bahut data tha mujhe kyunki main use din kafi galtiyān ki thi lekin vo ek learning process the because of first project aur interact kaise, behave Karna hai to vah sikhane mein mila tha koi aur unse interaction karne ka bhi mauka Mila aur vese he journey aage badhate rahiye offline project hote gaye... 2 sal ke is journey ka yah tha Mera ek saal ke Safar ka ki kahani ab chalte Hain Safar ke agale bhag me jaha NSS Council banne ke bad ka Safar bahut bahut parishram aur bahut hi mehnat aur bahut hi Garv wala responsibility he. Council ban ne ke bade sab se bada daaर jo hota tha ke projects me volunteers kitne aaye ge????... Aur council hone ke saath hum sab ko ye makesure karna padta tha he Volunteers Projects ke saath saath masti mazak bhi kare aur aapas me bonding badhaye... Magar NSS ke parivaar ke sabse aache bonding ya friendship NSS ke Special Residential camp me he bane te hai. As councils camp ke preparation was major task for all of us, but hum aatne preparation to volunteers ke dinner ke he chinta karne me he chale gaye, projects bhi kar vane hote hai vo to hum bhul he gaye the... For me camp ka sabse best project was School teaching and kite making. Camp ke preparation ke liye humne humare Super seniors councils se unka camp ka experience gain kiya tha, jo ke bhot sahi (Thanks to all of them Abhishek, Priyal, Shreyas, Khushi, Kirti, Sunil, Varsha and Viraj). Even humare Senior Councils/humare senior TE jinka Camp he nhi huva lekin app logo ke khuup piche lag ke humare har ek problems ka solution diya. Thanks to your pyaare senior councils Om, Khushi, Mayank, Priyanshu, Chhayank, Vaishnavi, Parveen and Rohit. JESE KUCH SAFAR AKHELE PURE NHI KIYE JAA SAKTE, VO SAFAR SAATH ME PURE KIYE JAATE HAI mere iss safar ke 7 SAATHI Aryan, Tanisha, Charvi, Maniprakash, Pranali, Sumit, Yash. Tum sab ne muje bhot pareshan kiya he lekin muskil wakt me humasha tum sab saath me bhi rahe he ho.. Even Thank you guys for being such a great mates for my NSS journey. Last but not least mere pyaare SE volunteers tum sab ke bina Unit/projects aadhura hai, thode aur JOSH aur Energy ke saath apne NSS ka aage ka Journey bhi pura karo and legacy ko follow karte rakho Wish you All the best...

O Safarnama

Sawaalon ka safarnama ❤...

Toh iss safarnama ki shuruwat hoti hai usdin se jab NSS ka orientation tha .. I still remember ek yehi committee ka orientation dekh k man hua tha k join toh karna hi hai chy kuch bhi ho ...aur jab voh recruitment process start hua I was full introvert back then Aur plus online tha sab kuch fir toh samajh jao 😊 ..lekin recruitment process toh jaise taise nikl hi gaya Aur selection bhi hogaya fir aatae online projects me itna kuch krne ko tha nhi tbh ..Aur hum jaise introvert k liye toh online sabse bekar cheez thi ..fir aata hai VACCINATION DRIVE mera pehla offline project ohh gawd abhi bhi yaad hai voh din ..jab humare councils toh the hi lekin ..super senior councils bhi the Aur jab unhone feedback lena start kiya toh sab jabba jabba krne chalu krdiye 😂 ..Kuch bhi kaho KHAUF toh hai ..Chalo ab story me thoda aage badte hain NSS join kiya tha kyuki humesha se hi social work ,selfless service etc krne ka hauk tha

lekin ye nahi pata tha k NSS me itna OVERALL DEVELOPMENT hogta k introvert se extrovert ban jaungi ...NSS k teen rules DISCIPLINE,RESPECT AUR PUNCTUALITY ko toh kabhi bhool hi nhi sakte ..our councils made sure k har ek volunteer yeh rules ko follow kareAb baat karte hain word "FAMILY" ki yeh shyd non- NSS walo k liye ek normal word hogta but humare liye yehi word sab kuch hai ...Family ka real meaning kya hota hai yeh NSS se acha aur kahi nahi samjh sakte the hum .

Ab aate hain story k climax pe...Council interviews -Tbh meko council toh ban na tha but lag nhi rha tha ban paungi ..lekin baki TE ko mujhpe, mujhse zada bharosa tha k bhai Tu toh banegi hi ..woh council interview toh mai kabhi nahi bhool sakta ..As it was the "first official interview " of my lifeab ussme kya kya hua yeh toh nhi bata sakti 😊..as "What Happens In NSS Stays In NSS" ..lekin voh phase bhi worth it that Bhai ...Right from giving interviews to waiting for results voh time bhaisaab Aisa dhak dhak ho re la tha kya hi batao...but Umeed nhi chod di ..n finally ban hi gae Student Leadersunkee khushi toh bhaut hui thi ..lekin isske saath saath jo responsibilities aa rhi thi uska itna andaza toh nhi tha tbh ..voh kehte haina k hathi ke dant khane k kuch Aur ,Aur dikhane k kuch Aur hote hai ..iss phrase ka real mtlb council ban ki samajh aya ..k hamare ex councils kaise sab handle krte honge kyuki hume as a volunteer toh sab easy peezy hi lagta tha ..but ek 2 ghante k project k peeche ki 1 week ki planning ka andaza toh council ban k hi hua ...Council ban na was the best thing that happened to me in TCET for sure 😊..Jitna Council banke seekha hai shyd hi kabhi seekhane milta ..."Mai se hum tak ka safar suhana toh tha" ❤ ...HUM 8 ko ek humare councils ne banaya hai no doubt their guidance has been the best thing for us for sure!!!..SOJOURN -iss cheez ka besabri se intezaar kiya tha Aur voh mauka aaya bhi .Right from giving auditions to taking auditions and setting the dance for the whole UNIT bhauttt maza aaya. Sojourn practice k din was one of the best days in this journey ..Kabhi socha nahi tha k 100 logo ko dance sikhana padega ..n no doubt the outcome was worth it ..SE ne toh macha diya tha Aur TE ki toh kya hi baat krni

Ab aate hai story ki ending par Aur ending toh emotional hoti hi hai ..Mai baat kr rhi "NSS RESIDENTIAL CAMP" ki ..Life k best 7 days ..I would say camp hi tha jisme hum aatho ki bonding Aur strong hue ..voh volunteers ka dhyan rakhna ,unka khana peenasona har cheez ka intezaam karna ..kabhi bhi volunteer ko koi issue ho fir raatke 3 kyu na bj rhe ho ..unke parents ki tarah unka khayal rakhna, projects krvana ,sab sahi ho rha h k nahi uska dhyan rakhna...in 7 dino me bhauttt kuch seekhne ko mila ..Aur yeh camp Successful hua bcoz of our volunteers SE n TE ..Special thanks to TE mates ..As we quoted "RAATEIN BEET JAYENGI BAATEIN YAAD AAYENGI" -sahi toh kaha tha humne 😊

Last but not the least ..I would like to say ,This journey has taught me a lot ..Dukh toh bhaut ho rha k yeh safar khatam ho rha lekin as we say "Once a volunteer, Always a volunteer " ..bas is cheez k saath hi aage badungi.. n I hope k SE bhi yeh legacy carry forward krega. Is safar k akhiri feedback ko yeh bolke end krna chaungi ki,

NSS के साथ.. कुछ लग्ने.. कई यादें बतौर ईनाम मिले, एक सफर पर निकले और तजुर्बे तमाम मिले।

Allow me tell y'all about a roller coaster that I had sat on without thinking twice, the jump I had made blindly and head first. NSS was always a part of the plan, uss plan ka step 1tha Recruitment. For a shy SE kid, it was a challenge of a lifetime. Anokhe kisse sunne the jis safar ke baare me, woh mehsoos bhi kar liya. But today if I am asked to speak of it, it is definitely a memory I cherish with utmost gratitude. Haste-khelte, ghirte-sambhalte, naye dost banaate-banaate nikal gaya online humara pehla saal. Par picture abhi baaki thi mere dost!

TE ke shuruwaat me, interval ke baad, shuru hui ek daud: Council bann ne ki daud. Iraada: haan, plan: nada. Par Geet ne kaha tha "aisa lagg raha tha kuch galat ho raha ho,

jaise koi train chhot rahi ho" and I felt that. I was literally the last person to append my name on the list made for interview rounds. Khoon, paseena, upar waale ka saath aur sabki duaon ke saath bann gayi main Admin Head! Par asli khel toh abhi baaki tha, jiske baare me hum 8 naadan parindon ko koi idea nahi tha. There is nothing our senior council have not helped us with. Definitely can't not give them an honorary mention. Apne bacchon jaise hi rakha, sab sikhaaya, chillaya, rulaya, par saath nahi chhoda. First project ke pehle ke jitters, major college events me TCET NSS UNIT ko represent karne ka pride, Sojourn me perform karne ki excitement, aur most importantly NSS Residential Camp organize karne ka pressure, shayad hum 8 council members humesha ke liye apne dil me bandh ke chalenge. It was tough par at the end of the day, volunteers ko enjoy karta dekh sab worth it lagne lag gaya. As Kamal says and I quote, "Yehi baatein toh baadme yaad aayengi". Pranali ka sabko "taklu" bulana, Tanisha ka chillla chillakar thak jaana, Aryan ka har jagah jaake tiffin khaana, Yash ka har cheez me bacchat karana, Mani ka hamesha mujhe bhajiya pav khaane leke jaana, Kamal ka SOM lab waala drama, Sumit ka daraane ke liye aankh dikhaana aur aakhir SABKA ek saath rehna. It is safe to say ki chahe kuch yaad rahe na rahe, yeh cheeze hamesha rahengi.

As this tremendously beautiful journey approaches its end on paper, I am proud to say that I would not have been the person I am today without NSS and everybody who has been a part of this journey with me. I am immensely grateful from the bottom of my very heart. **"Once a volunteer, always a volunteer"** they said, ab samajh aane lag gaya hai kyu. And in the very end, I would like to thank me, for believing in me. Teehee. So much love and gratitude, now and always.

Tho chaliye shuru karte hai iss behtarin Safar ko.. Socha na tha ki NSS ke 2 saal mai pehla feedback idhar dunga!! Agar mai batau tho Mera recruitment itna hard nahi tha but maja bohot ayya n jo experience Mila vo shayad he kabhi milega.. Jin logo ko kabhi dekha bhi nahi Jin logo se kabhi Mila bhi nahi vo log ajj mere ek life a hissa baan chuke hai... Yeh hoti hai NSS ki 2 saal ki journey You make bonds with people and never lose them... Agar mai bolu ki NSS he hai jisne mujhe bohot kuch sikhaya tho vo bolna galat nahi hoga. Sojourn ke dance mai ek dum end mai khade hoke dance karne se leke next year he front mai dance karne ka Safar pura kiya hai.. ek year mai volunteer se leke dusre year mai council ka Safar bhi pura kiya hai. Jo level ka confidence ayya hai na life mai by God

mujhe kabhi kabhi khud pe bharosa nahi hota hai ki kya yeh wahi Mani hai jisko bohot Ganda walla stage fear tha or jisko 10 logo ke samne bolne mai he halat kharab ho jati thi.

But jab maine socha ki chalo abhi kisi body ka tho fissa bannte hai tho sabse pehle maine mere dost n mere senior n NSS ke council jo ki ek he insaan hai Chhakany usse pucha ki kya lu bhai batao jara tho bola ki NSS mai aija sorted hai mai bola thik n recruitment mai ayya select(Meri selection hogayi hai?) hua phir tho bhai online meet pe meet hue jaa rahe hai phir jab ek saal khatam hua tho socha ki abb tho council banne ka try karta hu usske liye bhi interviews diye bohot Sara drama hua phir mai baas Gaya Council (Meri selection hogayi hai?) Or haa Council banne ka Mera motto bhi bata deta hu baas yehi likhna tha NSS ki magazine pe ki(I never thought that my first NSS feedback would be here) n vo maine likh Diya hai tho baas abhi Shanti hai 😊.

Phir mai mila Kamal baby, Sumit the bhojpuri partner, Aryan and Yash the Og duo, Charvi the Tutu, Tanisha begum and Pranali buddy jo gaane ke lyrics nahi bhulti & mai Mani from Nallasopara jisko hamesha Ghar jaldi Jana rehta hai kyu ki train mai bhad hoti hai bhai .

Agar mai bolu tho NSS ka camp tho mai kabhi nahi bhulne walla vo 7 din khoshih bhi karlu tho bhi nahi bhulne walla and i hope Jo bhi NSS volunteers jo yeh padh rahe honge n jo camp gaye honge unka bhi yehi maana hoga.

With the last motto of our TCET NSS UNIT ' Once a volunteer, always a volunteer ' ke sath mai apna Feedback yaha he samapt karta hu and Sabhi NSS volunteers ke liye mere taraf se bada walla .

Jab college aaye the toh pehle hee din se online batch hone ki wajah se koi khaas interest tha nahi kisi bhi cheez main lagta tha ki covid main hee engineering ke 4 saal nikal jaayenge aur basss engineering ke maze bas films main dekhne waala cheez reh jaayegi.....

First year main bataya gaya the ki next year se clubs wagerah main participate kar paaaoge and sochte ki kaha jaaye tab tak second year aaa gaya and clubs-committees join karne ki last date nikal bhi gayi thi! Ananya ke saath basss decide kar liya ki yaaar abb chaahe joh club yaaa committee ka form circulate hoga basss fill karna hain!! And abbb isse luck kahe yaa kuch aur par ussi din NSS ka registration form aaya tha 3 Din ka recruitment sunke honestly bacckout karne ka mann kiya but College lie ke maze waala bhoot joh sarr pe the usne

fil karwa hee diya form ! Recruitment se leke SE volunteer ka safar sabse khoobsurat the jaha ek time tha lagta tha kya log,kya dosti yeh sab toh abbb hone se raha se abbb dekho I have met the best people of my life and that's all because of NSS.Woh ek saal as a volunteer ne bohot kuch sikhaaya and woh I'm sure hum main se koi nahi bhulega!! Bohot saari cheeze thi joh pehli baar ki thi chaahe who oldage home ka visit ho yaaa phir Traffic Signal pe khade hoke dance! Har ek project humesha khaas raha hain and itne logo se baate aur dosti agar aaj college main hain toh who NSS ki wajah se!

Abb baat aati hain as a Council ki itna kuch second year main dekha tha and itna involved the NSS main toh bohot mann karta tha ki yaar Council banke ek baar toh yeh sab manage karna hain! Thanks to the wonderful SE volunteers for understanding and pyaari TE for supporting. Jab hum sab 8 pehli baar ek saath kaam karne lage the tab kisi ko kuch samajh nahi aata tha ki kya kare ek dusre ke saath kaise kaam kare but abbb pata chal gaya hain ki Tutu ki galat format dekhke OCD jaag jaati hain, Tanisha bichaari chilla chillake thakk gayi hain and abbb bohot chid machti hain use!! Mani toh jaisa nahi banna chahta tha waisa bann gaya hain jispe use bhi vishwas nahi hota!! Yash bichaara finance ka file bana banake thakk gaya hain and Aryan ko basss jaldi ghar jaana hota hain! And finally, Kamla jaisa bolta hain ki "Yahi Toh Game Hain!!" pehle lagta tha ek saal kaise nikalega aur aaj as a Council apna last feedback likh rahi hoon. It's been a journey of its own and grateful for things to unfold the way did!! Second year Pranali took a wise wise decision to fill that form and thank God she did! Hoping to have this NSS Family as an integral part forever because Once A Volunteer Always A Volunteer!!

Mai apna feedback iss line se start karunga "JO KABHI NAHI KIYA VO NSS ME KIYA" life k sab se yaadgaar 2 saal.

Ab feedback dena hai toh 1st day se start karna padega i.e recruitment ka din 😊, pata toh kuch tha nahi NSS k bareme chala gaya online meet me time pass k liye online college tha aur karne k liye bhi kuch nahi tha, mujhe laga kuch boring sa recruitment rahega puchegे tell me about yourself ye vo but kabhi nahi socha tha NSS ka recruitment kuch aisa hogा matlab sab se alag aur sab se best itne maje kiye aur dost bhi bann gaye, gaya tha time pass k liye but recruitment k baad aisa lag raha tha ki kaash select ho jaau aur ho bhi gaya aur NSS ki journey start hui.

Join karte hi hamare TE ne darana chalu kiya councils k samne ache se rehna kuch galti nahi jo bhi bole sunna sab baat aur masti nahi karna, but online tha toh humko bhi bahot masti thi toh councils ne chillaya bhi bahot aur samjhaya and in few weeks sab line pe aagaye. Pehla saal toh aadha online nikal gaya but humlog bahot jada wait kar rahe the offline projects ka kyu ki aisa kuch kabhi nahi kiya tha life me, aur college khulte hi hue bhi offline projects and itne dost bane aur itne maje kiye kya batau, projects k baad extra samosa lena ye koi nahi bhulega but milta nahi tha vo alag baat hai kyu hi SE wale the hum but jo offline projects ka experience tha kabhi nahi bhoolega koi bhi, ye sab karte karte sojourn aagaya aur dance aata nahi tha aur kabhi kiya bhi nahi tha toh dekhne gaya tha practise but councils ne bola tu bhi karega ("Start majboori me kiya tha lenkin fir maja aane laga") start me dar laga but fir dekha aur bhi gande dancers hai toh maja aane laga.

Fir aata hai hamara 3rd year 😊, councils k recruitment ka msg aaya toh soch ek try maar leta hu aur laga toh nahi tha banunga but bann gaya. Council banne k baad pata chala ki kitna hard hota hai ye sab manage karna, but hamare councils hamesha help karne k liye the best part is council experience jo sab ne share kiya aur usse bahot kuch seekhne mila.

Aur ab aata hai NSS ka sab se best part jo ki 7 din ka camp hai, kisne socha tha ye 7 din life k sabse best moments me se ek hoge, itne maje kisi ne nahi kiye hoge, ye 7 din itna ache the ki ek baar wapis experience karna chahta hu mai, aur camp ki ek line jo koi nahi bhoolega i.e "RAATEIN BEET JATI HAI, YAADEIN YAAD AATI HAI !" ye poore college life ki one of the best memories me se ek hai. Aur hum sojourn ko kaise bhol sakte hai vo bhi 3rd year k matlab ghaghra pehen k jo naache hai sab ladke shyd hi kahi kiya hoga kisi ne once in life time experience hai jo aur kahi nahi milega and council dance isse sabse jada dar tha but ye bhi hogaya thanks to tanisha and pranali jinhone NSS dance me char chand laga diye.NSS join karne k baad bahot kuch sikhne mila aur bahot dost bhi bane aur bahot achi memories bhi.

Aur bhi bolna hai lekin ek page ki limit hai so yahi khatam karta hu. Thank you NSS for everything, my journey with NSS has been a fulfilling one, and I am proud to have been a part of such a noble cause.

इस सफर में नींद ऐसी खो गई, हम न सोए रात थक कर सो गई! ❤️

NSS ka safar chahe 2 saal ka ho par zindagi bhar yaad rahega. Kaafi log NSS 10 marks ke lia join krte h pr mera case alag tha muze bs mere comfortzone break karke socialize hona tha islia NSS join kia. NSS ne pehechan di kal tak koi nhi janta tha muze aaj har koi janta. NSS ka safar NSS special recruitment se chalu hua jiske baare mein phele koi idea nhi tha exactly kya hota mere case mein recruitment kaafi light gaya may be because mein dekhta serious hu 😊. Mera phela offline project vaccination drive se chalu hua tha jo utna acha nhi tha usmein humare super council aye the aur hum unhe jaante nhi the 😊.

First aur Second year online tha so rarely kuch dost the NSS mein aane ke baad itne dosto baane ki abh count tak

yaad nhi. Life mein jo jo nhi kia tha sabh NSS mein aakr kia Dance se lekr ghaghra se lekar CAMP ki planning tak and to be specific iss saal ka Soujourn ka Dance life ka phela dance tha mera.

NSS ka phela year toh almost pura online nikalgaya. Second year chalu hote hi Council ka interview dia jo kia haadse jyadha bura gaya tha. Par by god grace mein Council bangaya. Council bante hi phela change was "Mein , Muze" to "Hum, Hume" Council baane ke baad phela month was dm hectic as sabh offline open horaha tha aur sabh kaam pile up hone laga tha par dheere dheere sabh normalise hogaya. NSS mein aakar Saath Sitara ka saath mila Humesha josh mein rhene waale Kamal ka , Humesha chill dude rhene waale Mani ka , Humesha calm minded rhene waale Patil Boi

ka, Humesha Full charge rhene waali Hey Comps! ka (Pranali) ❤️ ,Humesha iphone se project ke photos click krne waali Tanisha ka, Humesha helmet lekar aane waale Sumit ka , Humesha Sobo vibes dene waali Charvu ka .

Iss safar mein humare 8 ideals ko hum kabhi nhi bhulsakte Om, Khushi, Mayank, Priyanshu, Vaishnavi, Chhayank, Praveer, Rohit . NSS mein aakar actually letters, reports, files kaise banate hai vo sikha. NSS ne bhot saare naye dost, memories, experiences dia jo zindagi bhar kaam ayenge. NSS ne muze introvert se extrovert banadia. NSS ki journey ka sabhse best part hota NSS RESIDENTIAL CAMP jo iss saal hum finally gaye. Normally 75 volunteers jaate hai isbar hum 102 volunteers lekar gaye. Expectations se kaafi jyadha TE se support mila during the Camp. NSS Camp mein "NSS FAMILY" iss words ka actual meaning pata chala.

Iss safar mein kaafi ups and down dikhe pr conclusion was that humesha koi na koi solution miljata tha. Yeh safar asani se kaatgaya kyuki sabh saath the UNITY thi aisi hi unity humesha maintain rahe. Aise hi TCET NSS UNIT desh ke prati apna yogdan dete rahe. Bas conclusion mein yaahi bolna chahunga jo legacy NSS ne itne saalose maintain ki hai vo humesha maintain rahe .
